MEMORANDUM FOR: Director of Central Intelligence

**SUBJECT: Meeting with Representative Clarence Cannon,
2:00 P. M., Monday, 2 July 1962, Room P-3,
The Capitol**

1. This memorandum is for information only.

2. Pursuant to your request, I have arranged a meeting for you with Mr. Cannon next Monday at two o'clock. I understood that you would like to discuss with him (a) your trip to Southeast Asia, (b) the Taiwan Straits problem and (c) the need for further intelligence requiring use of U-2s.

3. I would think you might well wish to mention to him the recent Soviet missile firings from submarines.

4. Subsequent to the receipt of Cannon's letter to you of 16 April 1962, you discussed this problem with him. On 1 June 1962, Cannon advised General Carter that the Committee had approved our budget request as submitted and, consequently, we could disregard the letter of 16 April. It appears appropriate to request from Mr. Cannon a letter reflecting the Committee's final decision. Also, during the period Cannon was studying the budget he requested and received on 13 February 1962 a copy of our budget in the form of a notebook entitled "House Notes" (sample attached). Since this is a very revealing document, it would be helpful if you could remind Mr. Cannon that he received one of these and if he is finished with it would he like to return it to us.
